# CONCIERGE MEMBERSHIPS

Quick and easy medical care solutions for business. Whether your business is in an office, job site, or even offshore, we customize packages to suit your company's needs. Effective and affordable, our concierge memberships keep your employees healthy and productive while contributing to employee retention.

We value the continued health of your employees to ensure your ongoing business success.

We are your partner for health, helping you live well by bringing the best in healthcare to your office.

Inability to access medical care is a leading cause of employee absenteeism.

### In-Clinic Services

- In-Clinic Blood Collection and Urinalysis Sample.
  - Getting bloodwork is no longer a chore with Catalyst Health Solutions. Easy parking, no wait times, and friendly staff in a spa-like atmosphere.
- Free Immunization Administration (cost of vaccine/medication may vary)
  - Stay up to date on your immunizations. When it comes to the fee to administer your vaccination, with our concierge service we wave that! The only thing you have to pay for is the actual price of the vaccination medication, but your FLU SHOTS are on us!
- Nursing Assessments/Treatments
  - A service where our nurses sort, gather, and analyze your health information, using evidence-based practice to teach you more about your overall health, symptoms and concerns.
  - In clinic nursing care such as dressing changes, medication injections, suture removal, etc.
  - TB Testing
- Urine Drug and Breath Alcohol Testing
- Health Care System Navigation
  - The system can be hard to navigate! Catalyst can guide you to find and access your desired health service and reduce barriers.
- Nurse Practitioner Visit (One visit included per Month)
  - Prescriptions and Refills
  - Women's Health
  - Medicals, Occupational and Other
  - Referrals, Diagnostic Requisitions, Follow Up
  - And more...
- Covid-19 PCR test at a reduced rate.
  - A letter of recovery can also be provided.
